There is an inquiry to have a snowshoe sales and light manufacturing operation at the location of the Woodford Mountain Store. The applicants asked whether the Zoning Board would be receptive to their application. The Roadside Commercial section of Bylaws allow retail and associated light manufacturing. The applicants should contact the Zoning Administrator for further permitting information.

James Kinney spoke with Ed Shea regarding zoning enforcement at Woodford Lake Estates. Considerable discussion followed. The Commission agreed with Jim Sullivan's suggestion to revise the Woodford Lake Estates section of the Bylaws.

The Commission further considered the revised Bylaws. Other changes were discussed and adopted. Short term rentals were considered.

There being no further business to discuss Ed moved and Betty seconded to adjourn the meeting at 7:30 pm and all voted to approve.

The next regular meeting will be May 13, 2019.
