**Success on  
Green Up Day  
May 4, 2024**

**Green Up Day**, saw a 30% growth in volunteers over 2023, picked up over four tons of litter and 15,813 tires. In flood clean-up projects we took care of an additional 10,000 tires. We also attempted a Guinness World Records® title and succeeded! The record is: “The Most Pledges Received to Pick Up Trash in 24 Hours.” Vermont is the only State in the nation that can boast this achievement and the only State that offers a program like Green Up Day. As one of Vermont’s favorite traditions, it is imperative for today and for future generations to keep building pride, awareness, and stewardship for a clean Vermont, and keep residents civically engaged.

Green Up initiatives are year-round and further our environmental impact with waste reduction programs, additional clean-up efforts, and educational initiatives. We received a special flood recovery donation from Subaru of New England and have been able to rally volunteers and pay for many flood clean-up projects across the State.

Support from your municipality is essential to our program. Funds help pay for Green Up Day supplies, promotional outreach, and educational resources, contests for kids, and a \$1,000 scholarship. We are requesting level funding for 2025.

**Thank you for supporting this crucial program that takes care of where we all get to live, work and play.**
