

# Estate Planning in the Green Mountain State. Wills, Trusts, and incapacity.

---

Should I have a Will or a Trust? What happens if I can no longer handle my own affairs? What if I wind up in a nursing home due to cognitive decline? Will the nursing home take my house and money? Will my surviving spouse or children have to pay estate or inheritance taxes on my estate?

When we know better, we do better! Bennington attorney **Jim Dingley** will provide you with information and answer questions. Common myths about estate planning will be debunked. If Vermont is your primary residence, this seminar is for you. For more information about the event contact (802) 442-8503. There is no need to preregister.
