## ARTICLE C:

Shall the voters of the school district approve the school board to expend \$25,900,824 which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved along with the approval of the Southwest Vermont Regional Technical School District budget, will result in education spending of \$15,068 per equalized pupil. This projected spending per equalized pupil is 0.77% higher than spending for the current year.
