A Note from the Clerk's Office

Welcome to 2024! We hope everyone had a wonderful holiday season and was able to spend some quality time with friends and family. As time quickly moves on and life remains busy, moments spent with family and friends become precious. No one knows what the next year will bring so we all need to take advantage of these moments when the opportunity presents itself to us.

2023 has come and gone but not without its challenges. The Town continues to struggle to find willing individuals to become involved in town government. There are still vacant positions that need to be filled to ensure a smooth, democratic and efficient running of our Town. In past years, there was an abundance of interested and dedicated individuals and vacancies were never an issue. In today's world, however, this is no longer the case. This is becoming a serious issue with many towns making it necessary to hire outside professionals for essential positions and for those positions required by law. This not only increases the Town's budget, but also takes away from the benefits of local knowledge and the small town feel that has always been such an important attraction to our town. In addition, it increases the unnecessary burden to those people who do serve in order to keep the Town running smoothly. Attendance at the annual Town meeting has significantly declined over the years. This meeting is a good time to meet your elected officials, ask questions and get to know your neighbors. If you are interested in participating in local government, please don't hesitate to contact the clerk's office or any town official with any questions or concerns you may have.

We welcome all new residents and property owners to our Town. We look forward to meeting all of you soon. Those who have left to pursue other endeavors or interests we wish you the best of luck.

This year we have been working on updating the Town's tax maps. The maps were initially created for the first time in 2017 and have not been updated since. Since that time errors were discovered, survey maps recorded, subdivisions approved and many property transfers received. Its important to keep these maps current but does require a lot of time and research so hopefully we won't wait so long the next time we update them. These maps are in no way used for property line boundaries, only for tax purposes.

STAY INFORMED:

<u>Listserv:</u> If you are new to our town or a current taxpayer and want to stay informed about meetings, minutes, notices, events or other town information, you can sign up for the list serve by leaving your email address with the Town Clerk to be added.

Website: You can visit the town's website at woodfordvt.org for a variety of information and forms. The website is currently being redesigned to make it more user friendly and efficient so information can be found readily. Nancy Coleman has been working diligently to improve this website and has spent countless hours volunteering to do this. With Nancy's determination and skills, we will have a new, professional looking website portraying our town.

Town Annual Report: The Town Report is printed annually for the purpose of the auditors reporting their findings of the town's annual financial information as required by 24 V.S.A. §1682. Optional information is included at the discretion of the town officers. Included in Woodford's Town Report is the grand list, previous years town meeting minutes, vital statistics, delinquent tax list, town meeting warning, previous years election results and other items that may be of interest. Only registered voters receive the Town Report. If you are interested in a hard copy, you can stop in the town office to pick one up. You can also find an electronic copy posted on the Town's website. If you have any questions on anything or have something specific you would like to be included in the Town Report please don't hesitate to reach out to any town official.

It is required by 24 V.S.A. §1179 that town clerks disclose to the public the total amount of fees received as part of their compensation. Below are the clerk fees received for 2023:

Recording	\$5585.00
Copies	\$555.00
Certified Copies	\$40.00
Dog Licenses	\$74.00
Posting Permits	\$20.00
Marriage Licenses	\$15.00
Green Mountain Passports	\$8.00
TOTAL COLLECTED	\$6297.00

To all, I wish a Safe, Healthy, Happy and Prosperous 2024! Thank you for your continued support.

Respectfully Submitted, Susan Wright Woodford Town Clerk

IMPORTANT INFORMATION

The following is information you may find helpful. If you have any questions, please contact the Town Clerk's Office.

ELECTION INFORMATION

This year there are THREE elections. On March 5, 2024 is the annual town and school elections and this year it is also the Presidential Primary. August 13, 2024 is the Statewide August Primary held on each even numbered year. On November 5, 2024 is the General Election also held on each even numbered year. This year of course includes the presidential election that is held every four years. Just a reminder that ballots for each November General Election will be mailed to all active registered voters as per the law change approved through S.15, Act 60 and enacted in 2021. There is no need to request an absentee ballot for this election, all other elections still require an absentee request. The General Election ballots will be mailed through the Secretary of State Office no later than September 23, 2024, 43 days before the election. Mailing addresses will be taken directly from the Town's voter checklist so it is very important that your mailing address is on file correctly with the Town Clerk. This law, however, does not discourage in person voting, which is always an option whether or not you receive your ballot by mail or at the polls. Polls are open from 7:00am-7:00pm. This law only applies to the General Election, all other elections are conducted as they have been in the past unless the Select Board votes otherwise. Absentee ballots for all other elections are available upon request as always. If you are not a registered voter but would like to be, voter registration is available on any election day while the polls are open, through automatic voter registration at the motor vehicle office (the motor vehicle dept. automatically registers you to vote in the town you live when you renew your license unless you specify otherwise), online at http://olvr.sec.state.vt.us and during the Town Clerk's Office hours.

- Absentee Ballots: Voters may vote absentee/early ballot in many different ways:
- <u>Vote in Office</u>- Voters may fill out a request and vote in person at the clerk's office, complete and sign the certificate and return the ballots without leaving the clerk's office. This can be done during all regular business hours before the closing of the town clerk's office and on the day before each election.
- <u>Take from Office</u>- Voters may fill out a request and, <u>only the voter</u>, may take the ballot from the clerk's office. The ballot can be returned by anyone as long as it is in the certificate envelope.
- <u>Mail</u>- Voters can request absentee ballots through the My Voter page, email or phone call. The ballot will be mailed to you and must be returned to the clerk before the close of polls on Election Day.
- <u>Electronic</u>- Ballots can be electronically delivered to overseas or military voters along with ill, injured or disabled voters for State elections. This process can only be done through My Voter Page. This allows voters with a disability to use the online accessible ballot marking device from home during the early voting period. Once the request is approved by the clerk the system will send an email to the voter that night with instructions on how to access the ballot. Local ballots are sent through the Town Clerk's office with specific instructions. All electronic ballots must be returned by US mail.
- <u>Home Delivery</u>- Pairs of Justices of the Peace may deliver absentee ballots to voters who are ill or voters with disabilities. The request must be made by the close of the town clerk's office the day preceding the election. Once the JP's have reached an absentee voter, the JP's must work as a pair to present the ballots and envelope to the voter, who may then vote in private or in the presence of both JP's.

The law allows a voter to make a single request for absentee/early ballots for all ballot elections scheduled in a given year (including town/school votes, special elections, state primaries) as long as the "mail to" address is the same for all elections. Please note that this single request must be made annually.

Any voter, family member, health care provider or authorized person can request an absentee ballot in Vermont without any reason. Voters who want to vote by absentee ballot may apply to the clerk before the closing of the town clerk's office on the day before the election. The Woodford's Town Clerk Office closes at 2:00pm on Mondays. Only a voter, family member (spouse, child, brother, sister, parent, spouse's parent, grandparent or spouse's grandparent), or health care provider may request a ballot for another person by phone. All requested ballots for any person other than the voter themselves will be mailed to the voter. An application for an early voter absentee ballot may only be valid for any elections within the same calendar year.

- My Voter Page, launched in 2016, is the State of VT's newest election management platform. By using My Voter Page, a registered voter can check voter registration status, view information on upcoming elections, poll location and hours, view a sample ballot, request and track an absentee ballot, view registration information on file with the town office, challenge letter response and take the oath. To use this system registered votes can log in at: http://mvp.sec.state.vt.us.
- <u>The Accessible Voting System</u> is available for all state and federal elections. It was introduced and used for the first time in 2018. The system was designed for those voters who may be blind or have any other disability but this voting option is available for any voter who may be interested in using it. It's a very simple system to use so if interested just ask any election official at the polls.
 - 1. <u>UNCLAIMED PROPERTY</u>: The Vt. Treasury Department maintains a list of those people who currently live in Woodford or did at one time and has unclaimed property, usually money. If you have lived in more than one Vermont town then be sure you check those also. You can check at: http://www.vermonttreasurer.gov/unclaimed-property for the most current listing. The process to claim your property is very simple and worth checking into.
 - 2. <u>DOG LICENSE</u>: April 1, 2024 is the deadline to register your dog. Any dog that is more than six (6) months old must be registered and licensed annually on or before this date. Proof of sterilization and rabies certificate must be provided at the time of licensing if not already on file. The fee for a spayed or neutered dog is \$9.00 (\$11.00 after April 1st) and \$13.00 for unneutered or unspayed dog (\$17.00 after April 1st). PetVet clinics are scheduled at Tractor Supply in Bennington on 2/10, 3/09, 4/06 and 5/04 from 3:30-5:30 pm.
 - **TAX HELP:** You may be eligible for free tax help through the IRS, AARP or MyFreeTaxes.com. To learn where to find tax help visit tax.vermont.gov/free-prep. Tax forms and instructions are available online at tax.vermont.gov, call 855-297-5600 or email tax.formsrequest@vermont.gov.
 - 4. HOMESTEAD DECLARATIONS: Homestead declarations need to be submitted by April 15th, 2024 in order to qualify for the resident education tax rate. By submitting this form on time, you will receive an accurate tax bill and avoid any late penalties or fees. Filing for an extension for your income tax does not include the homestead declaration.
 - 5. **GREEN MOUNTAIN PASSPORTS**: Green Mountain passports are available at the Town Office for \$2.00. This entitles you to free admission to Vermont State Parks (including Woodford State Park), Vermont Historic Sites and events which are fully State sponsored. To be eligible you must be a legal resident of Vermont and Woodford and be either 62 years of age or older or a veteran of the uniformed services.
 - 6. SOUTHERN VT COMMUNICATION UNION DISTRICT (SoVT-CUD): Communication Union District is a governance structure allowing multiple towns to band together to resolve their internet problems as a region and bring high speed internet to all. The Town of Woodford voters approved by ballot in 2020 to join the SoVT-CUD along with 13 other towns. Each town has a representative as part of the governing board with decision making capabilities. Currently, Woodford does not have a representative and is looking to fill this position. You can find more information or minutes of past meetings at https://sovcud.net.

ZONING AND PLANNING

PERMIT INFORMATION

The Town of Woodford has zoning regulations in place. Before any land or building is devoted to a new use or change of use, or before the erection of any building or land development, a zoning permit shall be obtained prior to any activity. If you are planning on doing any construction or renovation projects, please inquire to see if you will need a permit before you start. This will save everyone time, money and frustration. You can contact the Town Office at woodfordvt@comcast.net or James Kinney, Zoning Administrator, at woodfordzoning@comcast.net.

Permits are required for:

- Construction of anything larger than 36 sq. ft. This includes new homes, additions, decks, porches, mud rooms, garages, outbuildings or sheds and cargo or shipping containers, portable and non-portable;
- Change in residential property use such as a home occupation or a business activity;
- Commercial property improvements or use change;
- ♦ Subdivisions or boundary line adjustments;
- Addition of a pond or swimming pool;

A permit application must be submitted with all required documentation as stated on the application form, including the fee of \$75.00. The application will be reviewed and forwarded to the governing body authorized to approve the permit, the **Z**oning Administrator, Zoning Board of Adjustments or Planning Commission. Once an application is approved the permit is good for 2 years before it expires and a new or extended application needs to be submitted.

In addition to the Town of Woodford Regulations, Woodford Lake lots must also comply with the Woodford Lake Association Regulations.

In some instances state permits may be required. Landowners are responsible for obtaining all necessary state permits pertaining to their particular project along with local permits. All septic and wastewater permits are issued through the State of Vermont and not approved at the local level.

The Planning Commission periodically updates the zoning regulations. The most recent revisions were completed on July 15, 2020. Revisions are made periodically in order to keep up with the current and future needs of the Town and to make them compliant with any new State laws. The board appreciates any suggestions, comments and ideas from Woodford tax payers and welcome all to attend any meetings. If you would like an electronic copy of these regulations or a zoning application, contact the Town Clerk or Zoning Administrator as noted above.

TIME TO SPAY & NEUTER CATS & DOGS and LICENSE!

The VT Spay Neuter Incentive Program (VSNIP), under VT Economic Services is administered by VT Volunteer Services for Animals Humane Society (VVSA). Funded by a \$4.00 fee added to the licensing of dogs, resources are limited by the number of dogs licensed as required by law by 6 months of age. A rabies vaccination is required to license. The first vaccination can be given at 12 weeks of age. If unable to schedule an appointment with a vet office, Community Animal Aid (free to those on public assistance: 734-0259 at the E. Barre Fire Station) & Tractor Supply host monthly clinics. After vaccinating, contact your Town Clerk to license your dog. By statute, unlicensed dogs can be seized. Rabies is in Vermont and it is deadly.

Licensing identifies your dog and is proof the dog is protected in the event bitten by an animal, but would still need immediate medical attention. Vaccinations and licensing protect if they bite another animal or person, which could result in the quarantine of the animal or euthanized. If not proven by being licensed to be currently vaccinated, testing for rabies requires the brain to be examined.

For an Application for VSNIP send a Self-Addressed Stamped Envelope to: VSNIP, PO Box 104, Bridgwater, VT 05034. Note if it is for a cat, dog, or both. To print out, go to: <u>VSNIP.Vermont.Gov.</u> VSNIP helps income challenged Vermonters with neutering and vaccinations. If approved, you'll receive a Voucher and instructions. If not, a list of low-cost resources will be sent. Several humane societies host spay neuter clinics open to the public. Your cost for a VSNIP surgery is \$27.00, if without complications. The balance is paid by fellow Vermonters with their \$4.00 fee collected at licensing. **Veterinarians and their staff are the backbone of this important program. Thanks to their generosity and altruistic vision, Vermont no longer uses routine euthanasia as a means of population control. Sincerely thank your veterinarian for their participation in VSNIP. If not currently a participating office, please ask them to join and help make a difference in your community. They are very needed.**

Facts: Female cats as young as 4 months can become pregnant. The "mom" cat can/will become pregnant when nursing is finished. Males travel for miles to find a female in heat, often not returning. Cats and dogs (naturally) mark their territory if not neutered. Resolve Carpet Cleaner and a single moth ball in its place will help deter from repeat markings. (Do not use moth balls with young children in the house.) 70% of cats and 15% of dogs using VSNIP are reported as strays or abandoned, which is cruel and illegal. Please do promote VSNIP, helping those that cannot afford to neuter, that will otherwise reproduce over and over. Repeat litters can cause uterine infection, mammary tumors, kidney failure, etc., leading to death. "Farm" cats are especially at risk. Be wary of any seller of animals that won't allow you to see how they are kept before acquiring and want to meet in a parking lot. Animals are often used as a means of making money, and their life may be the inside a room or cage. Please be the voice for those that cannot speak. Purchasing does not 'save' one, it 'enables' those to continue to misuse animals for money. Thank you for promoting this time proven program.

Thanks to now retired Lynn Murrell, DVM, who first agreed to extend reduced rates for animals in need, and all the Veterinarians and Clinics that served for the last forty years plus. A sincere thank you to Bernard "Snook" Downing for helping support many animals in need over the years with his hard work, contributions, and the donors we are unable to thank in print – but you know who you are! *Together We Truly Do Make a Difference!* 800 HI VSNIP (1-800-448-7647)

John Irons, Jr. (1927-2011)

Hard at work researching in Woodford Town Office

Did you know that John Irons Jr. of Woodford was compiling information on the history of Woodford from the records and archives located in the Town Office?

Dr. Irons resided in Woodford after retiring from dentistry in 1986. It is not known when he started doing research on the Town's history, but he left a large cardboard box dated 2010 with copies of the information he chose to collect. Nancy Coleman, the Assistant Town Clerk and a person who is fascinated with Woodford history spent many hours scouring those papers and attempting to organize them by topic.

Dr Irons wrote an acknowledgement page dated Sept 11, 2010 which reads as follows:

"We'll recognize (?) the time and work that went into the early records of our ancestors. The penmanship and calligraphy then used; words lost spelling changed (F=S); definitions changed.

This history is a composite of selectmen's meetings, school board meetings and land records. Some information was obtained from the archives in Montpelier and the Bennington Banner.

We missed the opportunity of obtaining oral histories from the likes of the Harbors, Alex Drysdale, Bill Lauzon, Jack Cleary."

Copies of Dr. Iron's work can be found in the Woodford Town Office in 2 totes labeled <u>History of Woodford by John Irons, 2010.</u> The documents are organized roughly by topic. You may stop by the Town Office anytime during regular office hours to peruse his work.

TOWN OF WOODFORD- DELNQUENT TAX COLLECTION POLICY

Summary

Town and school budgets are set in anticipation of the collection of property taxes and taxes not paid by some property owners shift the cost burden onto those that do. It is the best interest of the Town of Woodford and its residents that property taxes be paid when they are due.

Woodford's collection policy recognizes that individuals may go through periods of financial difficulty, but in order to be fair to all town taxpayers, the policy asserts that, as a matter of principle, shifting the burden of one property owner's debt onto other property owners in the town is not appropriate. A taxpayer who becomes delinquent is encouraged to find alternative resources to pay in full as soon as possible.

Delinquent taxes represent a lien on the property that will remain in effect until the delinquent taxes, plus penalty and interest, have been paid in full.

Purpose

The purpose of this policy is to treat Woodford taxpayers fairly by establishing clear guidelines that relate to the collection of delinquent taxes.

Policies

Notices

- The Delinquent Tax Collector will send a notice to each delinquent taxpayer indicating the amount of delinquent taxes, penalty and interest owed within 15 days of receiving the warrant from the Town Treasurer and each quarter thereafter.
- The initial delinquency notice shall include a statement explaining tax abatement options for the delinquent taxpayer (see attached), as well as the steps needed to make adequate payment arrangements (see below).

Penalty and Interest

Delinquent taxes shall be assessed a penalty of 8% of the total tax due, plus monthly interest on the outstanding balance as follows: an interest rate of 1% per month (or partial month) for the first 3 months, increasing to 1.5% per month (or partial month) on months thereafter until the total balance is paid in full.

Payment Arrangements

Payments in full are preferred but payment plans can be an option using the following criteria:

- Only payment arrangements that will pay the bill in full before the due date of the next year's tax bill will be accepted.
- Delinquent taxpayers shall submit a written payment arrangement proposal to the Delinquent Tax Collector by midnight, December 31st of same year taxes were due. The proposal shall outline the intended monthly payments and should be accompanied by a good faith payment to the Town.
- Delinquent Tax Collector shall have an approved payment plan with the delinquent taxpayer by January 10th of the <u>new</u> tax year.
- Partial payments will be applied first to the interest portion of the amount due. Any remainder will be divided proportionally between the outstanding principal amount of the tax and the 8% penalty.
- Violation of the payment arrangement including, but not limited to, a check returned to the Town for insufficient funds shall make the payment arrangement null and void and payments not fulfilled before the next tax due date will initiate a tax sale immediately.
- Costs, including those associated with returned checks may be included in setting the tax sale amount.
- The Town reserves the right to deny any payment arrangement that does not meet the above criteria.

Regular Procedures

- Payments may be mailed or hand delivered to the Delinquent Tax Collector.
- The Collector will issue a receipt to the property owner for every payment.
- On a monthly basis, the Collector will deliver to the Town Offices a copy of each receipt issued during the previous month (and retain a copy for his/her records).

Ryan explained that in the past the town's people would ask the auditors questions, if any, on their financial reports included in the town report. Since the Town now has an outside audit done from an independent auditor firm this item may have to be re-evaluated for next year's town meeting, either revised or eliminated. Also discussed was whether or not there was a need for local auditors since a professional audit was being done. Gail Rutkowski, treasurer, explained that the town's elected auditor reviews the bank statements monthly and compares them to the select board orders making sure there are no discrepancies. Dick stated that the article could be amended and voted on as an amended article. Ryan responded that he wished the discussion to change the date had come up sooner for this year but was in favor of having the discussion for next year. There being no further discussion; All were in favor, **Motion Carries**.

ARTICLE 17:

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen Town of Woodford Woodford, Vermont

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Woodford, Vermont as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Town of Woodford, Vermont's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Woodford, Vermont, as of December 31, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAP). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Woodford, Vermont, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Woodford, Vermont's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence
 regarding the amounts and disclosures in the financial statements.

Town of Woodford Page 2

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town of Woodford's internal
 control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Woodford's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America (GAAP) require that the management's discussion and analysis on pages 3 through 7, Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual on Schedule 1, page 25, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Woodford's basic financial statements. The combining and individual nonmajor fund financial statements are presented for the purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America (GAAP). In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

We All Deserve Healthy Love.

November 27, 2023

Town of Woodford;

PAVE believes that everyone deserves to experience healthy love. It is a core part of our mission to strive to promote a community and a world, where we all can experience the joy of healthy love.

With over 10 Million Americans affected by Domestic Violence a year, striving for a community where non-violent love is the norm, can be daunting. But we persist, because we believe our goal is not only possible but necessary.

Over the last year, PAVE has been able to help survivors of Domestic and Sexual Violence reclaim their lives after fleeing abuse. We have been there at the moment of crisis; fielding over 500 hotline calls and providing 4221 nights of emergency shelter. We have been there as survivors start to stabilize and heal; helping to obtain 16 housing assistance vouchers, and over 50 Protection Orders.

PAVE also has been present before violence takes place, with the hope that through education we can promote healthy forms of love and stop the cycle of Domestic Violence before it even starts. PAVE has provided over 900 youth in Bennington County with preventative education and helped train over 200 community partners on topics related to Domestic & Sexual Violence. Our Advocates have dedicated themselves tirelessly to spreading the message of non-violent love at community events and in their day to day work with survivors.

We are requesting level funding for the coming year in the amount of \$100.00.

PAVE expresses their gratitude for the support and dedication the Town of Woodford has shown to survivors of Domestic & Sexual Violence.

With appreciation,

BCRC Annual Report and FY 2025 Municipal Assessments

Dear Mr. Thurber:

The Bennington County Regional Commission (BCRC) provides planning and economic development support for seventeen towns and villages. Most of the BCRC's funding is derived from grants awarded by state and federal agencies, including the Vermont Agency of Commerce and Community Development, the Vermont Agency of Transportation, the Vermont Department of Environmental Conservation, the Vermont Department of Emergency Management, the US Environmental Protection Agency, and the US Department of Agriculture. A critical component of the organization's funding, however, is obtained from the annual appropriations received from its member municipalities. These funds are necessary to meet local matching requirements for many of the grant programs and to support our direct assistance to municipalities.

The BCRC maintains an office at 210 South Street in downtown Bennington. The Commission is overseen by municipally appointed commissioners from each of the member towns and villages as well as commissioners representing specific interests such as economic development, housing, transportation, and public health. The BCRC currently employs ten full-time staff, with additional assistance provided by interns when possible. Principal areas of work with assigned staff responsibilities include: municipal and regional planning, community and economic development, transportation, environmental planning, emergency management planning, energy planning, public health, solid waste planning and management and recently added public health equity planning. The BCRC provides contracted staff support to the Bennington County Solid Waste Alliance and the Bennington County Industrial Corporation (BCIC), while working cooperatively with numerous community and business organizations.

The BCRC's budget for FY 2024 is \$1,830,286 of which \$104,383 is provided through town and village member dues. The organization's operating budget has increased significantly over the past decade as additional responsibilities have been assigned to regional planning commissions and with initiatives to improve efficiencies through the consolidation of regional programs (such as economic development, emergency management, and solid waste) under its umbrella.

We have not changed formula used to calculate municipal dues for the past six years, although some adjustments were made this year following release of new US Census population figures. For the coming year, based on Woodford's population of 355, the BCRC appropriation request is \$3,000.

Feel free to call me at any time with questions, concerns, or requests for planning assistance. I would be happy to attend a meeting of your board, in-person or remotely, to review the BCRC's work program and to discuss how we may more effectively serve your community You can call me at 802-442-0713 x.1 or email me at bccolvin@bcrcvt.org to arrange a meeting. The attached report includes a description of major BCRC program areas and specific projects undertaken in the past year. A copy of the report submitted to each municipal auditor for inclusion in your annual report is included as well.

Sincerely

Bill Colvin

To: Susan Wright, Town Clerk, Woodford, Vermont, <u>woodfordvt@comcast.net</u>, 802-442-4895 RE: Request to be on the March 2024 Woodford Town Ballot for FY'25 Date: Dec 27th , 2023

The Tutorial Center respectfully requests to be on the Woodford Town ballot again for March 2024, for the FY'25 fiscal year in the amount of \$300.

The Tutorial Center's mission is to assist individuals and organizations interested in meeting their educational and vocational needs for both youth and adults. The Center is committed to a philosophy which respects student goals, builds on students' strengths, and seeks educational approaches most appropriate for each student.

The Tutorial Center continues to instruct and acclimate groups of new refugees, focusing on workforce skills and improving English communication. We continue to focus on increasing our adult education student body, maintaining and forming new community partnerships.

The Tutorial Center works closely with the social service agencies in the area, such as the Department of Labor, Economic Services, DCF, CRJ, and UCS. Though our main mission is education, we know there are many barriers to education for our students. We work closely with our students to help minimize these obstacles. We have a transition counselor to help students overcome these barriers, as well as direct them to the specific services they may need.

Our education services include tutoring for all ages; Adult Education and Literacy (which includes an alternate pathway to a high school diploma-the High School Completion program); English language classes for non-English speakers (ESL); GED preparation and testing; job readiness training; basic technology training for individuals and businesses. We offer any Vermonter 16 or older, without a high school credential, a free path to a high school diploma in Manchester and in Bennington.

Woodford's town appropriation funds support our tutoring work, enabling us to offer scholarships to students who need assistance. In addition, we work closely with the area schools to be a resource for them.

The Tutorial Center is happy to answer the community's questions about how we may be able to help you or someone you know earn a high school diploma or receive help in reading or math. Thank you for your previous support, and we look forward to your continued support.

Re: Request for Town Appropriation - Vermont Rural Fire Protection Program

Dear Board of Selectpersons, Town Clerks and Auditors:

On behalf of the Vermont Rural Fire Protection Task Force, I am writing to request your support for the Vermont Rural Fire Protection (RFP) Program, formerly called the Dry Hydrant Grant Program. The RFP program helps Vermont communities protect lives, property, and natural resources by enhancing fire suppression resources. Program Manager and Engineering Technician Troy Dare helps local fire departments identify appropriate sites for dry hydrants and other rural water supply systems, designs installations, and finds financial resources to support the costs of construction. During the 26+ years of the program, 1,177 grants totaling nearly \$2.8 million have been provided to Vermont towns for the installation of new rural fire protection systems, as well as for replacements and repairs.

The Rural Fire Protection Program is managed by the Vermont Association of Conservation Districts (VACD). VACD is the membership association of Vermont's fourteen Natural Resources Conservations Districts, whose mission is to work with landowners and communities to protect natural resources and support the working landscape throughout the state.

We have made several adjustments to the Rural Fire Protection Grant Program in recent years, including changing the name from Dry Hydrant Grant Program to Rural Fire Protection Program to better reflect the diverse range of projects we support. We have increased the maximum grant award amount from \$5,000 to \$10,000 per project (\$15,000 for a couple special case projects). New rural fire protection systems, along with repair, replacement, relocation, and upgrades of existing systems, and drafting site development, are eligible for grant funding on an ongoing basis. And we now consider applications from Vermont towns and fire departments on a revolving basis throughout the year rather than just once a year.

The annual expense of the Rural Fire Protection Program in FY 2023 was \$199,158 of which \$82,374 was paid in grants to support the construction and repair of 17 rural fire protection projects throughout Vermont. The remaining budget covered site assessments, project design and program oversight. Most of our funding comes from the Division of Fire Safety of the Vermont Department of Public Safety, through annual appropriations by the Vermont Legislature. In addition, the program receives support from the US Forest Service through the Vermont Department of Forests, Parks, and Recreation. Unfortunately, these

grants do not completely cover the costs of the program. Therefore, we are respectfully <u>requesting that you include a \$100 appropriation in your town budget</u> to support the Rural Fire Protection Program. In FY 2023, we received over **\$9,375** in town appropriations from **90 towns**. We are deeply grateful for your ongoing support.

235 Vermont communities have benefitted from the Rural Fire Protection program. Our goal is to extend this support to all Vermont towns and continue to assist local fire departments in reducing the risk of injury, loss of life, and damage to property and natural resources, thereby improving the safety and welfare of Vermont communities.

Enclosed please find program and financial reports for the Rural Water Supply Grant Program, as well as an <u>invoice and W-9 from VACD in case they are required</u>. VACD's tax form 990 is also available upon request. Please feel free to contact me, Troy Dare, or Jill Arace, Executive Director of VACD, with any questions you may have. Our contact information is provided below. If you would like to receive this appropriation request by mail instead of by email, please contact Troy Dare.

Thank you for your consideration.

Susan Wright 1391 Vt. Route 9 Woodford, VT 05201

Dear Susan,

The VNA & Hospice of the Southwest Region (VNAHSR) respectfully requests town funds of \$650 to assist in providing much-needed home care and hospice services to all those in need in our community.

Since 1946, we have cared for those in our community who need extra help to heal at home, are experiencing a serious or end-of-life illness or suffered the loss of a loved one. Together, we ensure that on any given day hundreds of patients, from the most medically fragile infants, to individuals over 100 and their family members are cared for by our team of talented and committed clinicians and staff.

We are a **cornerstone** in the community, an **integral partner** with healthcare providers and a **leader** in home health and hospice care in Vermont. Given our strong local partnerships with physicians, hospitals and care facilities, we are uniquely prepared to provide excellent home healthcare. The VNAHSR cares for those living with, and impacted by chronic or life-limiting illnesses or those recovering from an unexpected health emergency. We also offer many services, such as weekly bereavement support groups for adults and children, flu clinics and community education on end-of-life issues - all at <u>no cost</u> to participants. We are dedicated to our mission of providing care, regardless of the location of residence or complexity of health issues.

In 2022, the VNAHSR provided \$1.5 million in charitable care to our patients who were either undersinsured or without the insurance required for the home care they desired and deserved. Town funds and charitable contributions help close the gap between reimbursement for services provided and the costs of those services. With adequate town funding, an affordable option for home healthcare is available to all in need.

We are always here when residents of Woodford need us, thanks in large part to the generosity of the residents of your community. To continue meeting these needs, we urge you to consider the importance and cost-effectiveness of the work that the VNAHSR does to ensure the health and well-being of our community.

We are filled with gratitude for Woodford's many years of support to help the VNAHSR fulfill our mission to serve our community. Please do not hesitate to contact 802-775-0568 if you have any questions.

Sincerely,

Sara C King

Chief Executive Officer

Town of Woodford

To the Officers and Citizens of Woodford:

In 2022, the VNA & Hospice of the Southwest Region (VNAHSR) provided Woodford residents with exceptional home care, hospice and community health services. From children with more intensive medical needs to seniors who wish to remain independent at home and those who are facing a terminal illness, we continue to bring quality health care wherever it is needed, **regardless** of the location of residence, or complexity of health issues.

In the face of shrinking federal and state reimbursements, along with rising healthcare costs, the VNAHSR has continued to identify community needs and provide essential cost-effective healthcare services to Woodford's most vulnerable individuals.

Last year VNAHSR's dedicated staff made more than 127,393 home visits to 3,043 patients. In Woodford, we provided 121 visits to 10 individuals.

Thank you for your continued support! With your vote of confidence, we will continue to fulfill our promise to your community to enhance the quality of life of all we serve through comprehensive home and community health services.

Sincerely,

Sara C. King CEO VNA & Hospice of the

To the Citizens of the Town of Woodford,

On behalf of BROC Community Action and the thousands of people with low-income or living in poverty that we serve throughout Rutland and Bennington Counties, we want to express our thanks and gratitude for supporting us over the years on Town Meeting Day. BROC Community Action assists families and individuals in crisis and help provide a sustainable path forward.

Over the past year, BROC Community Action assisted 11 residents of the Town of Woodford. Whether they need food at the BROC Community Food Shelf, senior commodities, housing counseling, homelessness assistance, weatherization, heating and utility assistance, forms assistance for benefits such as 3SqVT, budget and credit counseling and resources and referrals; we are here.

People come to us cold, hungry, homeless, jobless or facing major health conditions every day. Your town appropriation helps ease the struggle for nearly 10,000 people who seek assistance from us each year as we meet the basic needs of their families and provide a path forward whenever possible.

Respectfully, our appropriation request for the upcoming fiscal year remains \$300.00.

We truly value our collaboration with Woodford as we assist those most in need.

Sincerely,

Thomas L. Donahue, CEO

Ms. Susan Wright, Town Clerk Woodford Town Office 1391 Vermont Rte. 9 Woodford, VT 05201

Dear Susan,

The Bennington Free Library is requesting an appropriation in the amount of \$3,964 for the 2023-2024 fiscal year. After several years of level funded requests, the cost of living and attendant increase in the minimum wage is largely responsible for this increase. Woodford's long history of support for the library confirms its commitment to sustain a community of engaged and well-informed citizens, and I hope Woodford residents will consider our request favorably.

The library currently supports Woodford residents throughout their lifetime of learning. Services include story hours, support for students of all ages as they pursue their formal educational goals and by providing resources for "lifelong learners" who remain intellectually curious throughout their lives. Most recently we have created "Memory" and foreign language collections which will serve the oldest and newest members of our community. A delivery service for homebound seniors, possible through a cooperative effort with RSVP, continues to be very popular.

The library regrouped during the pandemic, providing critical resources to Woodford residents including library takeout, online and phone reference assistance, summer reading activities, programs and themed activity bags. Free video and music streaming services and virtual programming were adopted and continue to be a routine part of our operations as well as such unconventional offerings as a telescope, snowshoes, and free passes to attractions such as Prospect Mountain, museums and state parks. All are very popular among area families.

Without adequate funding, many in our community would be forced to do without the books, videos, educational resources and computing facilities our library provides; more so during these challenging times. Demand for library services remains steady and Woodford's support is an important factor in our ability to meet the needs of a diverse community.

The Bennington Free Library manages funds received from the Town of Woodford carefully and I hope the town will continue to support the Library. If I may provide further information, please do not hesitate to reach out. Thank you for your favorable consideration of this request.

Sincerely, When the heart halm

Dear Town Officials,

This is a request from the Southwestern Vermont Council on Aging for \$250.00 in funding in your FY25 budget. This is the same level of funding we requested and received last year. If approved, this funding will be used to help support the work we do on behalf of Woodford residents.

The enclosed document provides a brief description of the services the Council on Aging provided to older Vermonters in your community over the last year and is designed for use in your town report. Please contact me if you have any questions about any of this information.

We sincerely appreciate the past support that we have received from the town of Woodford, and we hope that we can, once again, count on support from your community.

Report to the Citizens of Woodford

This report describes the services that the Southwestern Vermont Council on Aging (SVCOA) provided to elders in Woodford during SVCOA's most recent annual reporting period of 10/1/2022 through 9/30/2023.

Nutrition Support

SVCOA helped provide 211 nutritious meals to 6 Woodford elders who came together at a community luncheon site in your area while enjoying the company of others.

The Council also remained available to provide both home delivered meals, often referred to as "Meals on Wheels," and one-on-one nutrition support, including nutrition assessments and resource connections and referrals, to older residents of Woodford.

Case Management Assistance:

SVCOA case management and outreach staff helped 5 older residents in your community for a total of 69 hours. Case managers meet with an older resident privately in their home or at another agreed upon location and assess their individual situation. They will work with the older resident to identify needs and talk about possible services available to address those needs. If the resident desires, the case manager will link them to appropriate services, coordinate and monitor services as necessary, and provide information and assistance to caregivers. Case managers also help older residents connect with in-home assistance programs, including a program called Choices for Care. This program is especially helpful to frail older Vermonters facing long term care placement who still wish to remain at home.

Other Services and Support:

- "Senior Helpline" assistance at 1-800-642-5119. Our Senior Helpline staff provide telephone support to older Vermonters and others who need information on available programs and community resources.
- Medicare and health benefit counseling information and assistance through our State Health Insurance Program.
- Legal service assistance through the Vermont Senior Citizens Law Project.
- Information about issues and opportunities directly affecting older Vermonters via various agency articles and publications.
- Nutrition education and counseling services provided by SVCOA's Registered Dietician.
- Senior Companion support for frail, homebound older Vermonters.
- Outreach services to older Vermonters dealing with mental health issues through our Elder Care Clinician. This service is provided in cooperation with Rutland Mental Health.
- Transportation assistance.
- Caregiver support, information and respite to family members and others who are providing much needed help to older Vermonters in need of assistance.
- Money Management programs that offer either a volunteer bill payer or representative payee services to older Vermonters and younger disabled individuals.

Dear Susan,

As we look ahead to the new year, we take a moment to reflect on our profound gratitude to the municipal partners who help us deliver our lifesaving mission in our community. With your support, we are able to ensure the health, safety, and preparedness of our friends and neighbors throughout Northern New England.

- We made **700 homes safer** by installing **2,177** smoke detectors and educating **897** families about fire safety and prevention through our Home Fire Campaign.
- Trained **42,950 people** in first aid, CPR, and water safety skills. (training data for county level)
- We collected over **133,100 units of blood.** Hospitals throughout Northern New England depend on the American Red Cross for these collections.
- In our region, over **3,400** service members, veterans, and their families received supportive services through our Service to the Armed Forces department.
